

Chalet Sicoria

Cosy ski chalet for 11, terrace, sauna, close to pistes

Forget your car - the ski bus will whisk you to the pistes and it's a short walk to the village

About Chalet Sicoria ...

Location, location, location - this 3 star chalet is just 300m from the beautiful Alpine village of Chinaillon so it's a short stroll to pick up bread in the morning, or to a restaurant at the end of the day.

The ski bus stops just 50m away, and it's only 800m to the pistes. The views are fabulous too, overlooking the slopes from the front of the chalet, or the old village of Chinaillon, with its historic chapel and traditional chalets with wood shingle roofs, from the new terrace at the side of the house.

You won't need a car here, as the ski bus links the village with the other ski stations of Le Grand Bornand, La Clusaz and Manigod.

Chalet Sicoria sleeps 11 people, and is the perfect choice for a large group of family or friends looking to immerse themselves in Alpine life, whatever the time of year. The owner Muriel, who grew up in Chinaillon, is based nearby and is happy to offer help and advice.

Rêves d'Hiver can deliver your skis to the chalet, come to the property to help you choose your equipment or even pick you up and drive you to their shop to benefit from their professional advice. Discounts and free ski store available.
