

Aravis Lodge

Luxury chalet for 8 - 4 stars, woodburner, views of pistes

Get out on the pistes or just watch the action from the sunny balcony at this 4 star chalet

Overview ...

After a busy day exploring the French Alps, you'll be glad to return to this stunning split-level detached chalet, set over three floors, with plenty of room for eight people (maximum six adults).

Built at the foot of the Col des Aravis, it offers spectacular views over the Etale pistes and towards the Beaugard plateau. The lively village of La Clusaz, with its market, shops, bars and restaurants, is just 2km away, and it's just 250m to the Transval ski lift, so you'll waste no time getting on the slopes.

The architect and interior designer have worked together using high-spec soft furnishings and appliances to ensure the property and its contemporary interior reflect the fabulous mountain setting.

All the comforts you need are here, as well as the practicalities - such as a double garage, home office space, laundry and ski store.
