

VILLA SOLAIRE

Designer 5* chalet for 14 - indoor pool, games room, lift

Live the high life at this chic mountain chalet with home cinema, bar and stylish pool!

Contemporary style and tradition combine in this unique mountain home

Built as a barn in 1826, no expense was spared converting this property into a luxurious holiday villa, sleeping 14 people comfortably. Much of the original material was imaginatively re-used, such as the roof slates, which became the surround for the swimming pool. Just a few minutes drive from the centre of Morzine, Villa Solaire, a 5 star chalet, is close enough to the bars and restaurants of Morzine to enjoy great apres ski, but when you return to the villa, you can enjoy the peace and quiet of the mountains that surround you. It would be a great base for two or three families, or a large group of friends. There is garaging for three cars, and the ski bus stops 50m away, giving you access to all the Portes du Soleil resorts in France and Switzerland. There's a huge range of activities in the area, all year round, but you might find it hard to tear yourself away from the swimming pool, billiard room, home cinema and bars offered by this fabulous property!
