

LE MAZOT MORZINE

Traditional ski chalet for 9 between Morzine and Avoriaz

Enjoy the quiet life? This mountain 'log cabin' is perfect for summer and winter holidays

"Log cabin" in the forest is a perfect choice for families ...

The unique Chalet Le Mazot is situated in the tiny hamlet of Les Albertans, between the beautiful Lake Montriond and the village of Ardent, which is 1km away. Originally a farming village, Ardent now has a 10-man bubble lift providing direct access to Les Lindarets. It's also home to one of the most popular restaurants in the area. The 200-year-old Le Mazot has a "log cabin" feel - it's the perfect mountain retreat, at the end of a cul de sac off a quiet forest road. It's certainly not for a group wanting to be in the thick of the action! It's a 700m level walk to the ski bus stop and a 10-minute drive into Morzine, so a car is essential. You can't take a car right up to the chalet, so be prepared to walk the last 50 metres. It's a great choice for families, as there's a good-sized garden and plenty of forest and lakeside walks.
