

Chalet Le Buhel

Luxury 5 star chalet with hot tub, terrace

Make the most of the mountains at this peaceful 5-star chalet just minutes from the slopes

About Chalet Le Buhel

This beautifully renovated 5 star chalet comes from the owners of the popular Chalet [Le Kitz](#), next door. Larger groups of up to 25 (max 22 adults) will be able to book both chalets together.

Situated in Villards-sur-Thônes, just a few minutes from the main road between Thônes and St-Jean-de Sixt, the chalet is ideally placed for exploring the ski stations of La Clusaz and Le Grand Bornand, as well as the beautiful lakeside town of Annecy.

Chalet Le Buhel is in a quiet location and makes the most of the fabulous views over Mont Lachat, Tournette and Le Lachat de Grand Bornand. There's a lovely sunny terrace with a hot tub, and the property is then open to fields and forest, making it a great place to walk or cycle from.

Although the garden is open, there is little or no passing traffic, so children can explore and play safely.

Please note although Chalet Buhel is visible on the google map below, neighbouring Chalet Kitz, a project built several years ago by the same owners, does not display yet. You can see both properties in the exterior photos for both.
